Allergies / Medical Conditions		

Medicare No: Ambulance Cover: Yes / No

FHC Junior Section Policy Document

We have an extensive array of policy positions that define our approach to player/child development, and to the operation of our junior teams. Please review the document, which is available on the Club's website: footscrayhockey.com.au

So that we can better understand our recruiting processes (new members only):

What school does your child attend? _____

How did you first hear about FHC? _____

KIOSK SUPPORT IN 2010

Kiosk arrangements during junior games will be as per last season. Over the course of the season, each family will be rostered (probably only once, maybe twice) to provide a helper into the kiosk during their child's home games. A kiosk coordinator will be in the kiosk at all times, but will need at least one parent helping during all games. Each team, via the team-manager or a nominated parent, will organise a roster so that each family takes its turn.

In case you need a reason as to why we ask for this other than just 'doing you share to help the Club operate', keep in mind that our kiosk generated a surplus of \$40,000 last year which helps ensure that our fees stay low and that our requirement to bank \$70,000 annually into our synthetic fields replacement account, is achieved.

The kiosk surplus equates to a \$100 reduction off the fees of each of our 400+ members. **As per last year though, you are able to opt out of doing any kiosk duty at all (and foregoing your \$100 subsidy) if you wish.** Just indicate accordingly in the selection boxes below, and we will organise an invoice for the full (un-subsidized) fee for your child / children.

We will help the Club via meeting our rostered commitment in the kiosk.

We prefer not to help out in the kiosk, and will pay the full (unsubsidized) fees.

I/We hereby give permission for: information contained within this registration form and other details to be provided to other clubs and organizations and distributed in team lists; information and contact details of parents/guardians acting as a FHC coach, team manager or other official or volunteer to be published on the club web site and other publications; photos taken during FHC activities to be published on the FHC web site and other publications; my child/children to receive first aid/medical attention and to pay all expenses and transport costs.

I/We have read this form and understand the risks involved in playing hockey and other club activities and in the knowledge of these matters I/We hereby release discharge and holds harmless the Club, its Officers, officials and volunteers from any liability whatsoever and agree to indemnify the Club, its Officers, officials and volunteers for all such liabilities.

I/we authorise the Coach / Team Manager to obtain medical assistance that is deemed necessary, and agree to pay all medical expenses incurred.

Parent's/Guardian's Signature.....

Date.....

Please note:

- (1) From this season onwards, all hockey players are now required to also complete an online registration with HockeyVictoria. FHC will arrange for all members to receive a username and password (to your email address shown overleaf), and it is then your responsibility to go online and register **prior to Rd 1 at the latest.**
- (2) Please place this completed form in the Junior Registration Form box just near the Junior Section Noticeboard.
